Sustainably Produced and Bottled with Solar Energy

We are in the midst of a green revolution.
To owner John Ingle, going green means
giving respect. Respect for the land by
farming sustainably. Most importantly it
means respect for the consumer by
giving them our very best product and
by educating them about Heron Hill's
long-term goals of environmental balance.

Grapes sourced from Macri Vineyards on
Canandaigua Lake

Fermentation

Primary fermentation and full malolactic
fermentation in French oak barrels. Native
yeast portion fermented slowly, 270 days
and receiving lees within the first 6
months to impart rich flavor and soften
the tannin

Tasting Notes

A medium golden straw colored wine
showing aromatics of pear, marzipan, cedar,
apple, peach, and flint. The palate is full
and round with superb acidity, a hint of
buttery character and a long finish.

Food Pairing Suggestions

A rich wine great with poultry like Cornish
game hens roasted, squab or a roasted
chicken seasoned with Ras el Hanout.
Would also be wonderful with Pasta
Caccio e Pepe or a cream sauce.
