Vineyard Notes

Appellation: Finger Lakes
Riesling grapes sourced from five different blocks at our estate vineyards on the west side of Canandaigua Lake.

Fermentation/Winemaking

Hands off wine making, superb fruit. 50% spontaneous fermentation in stainless steel tanks the rest lasting on average 163 days

Tasting Notes

The Ingle Vineyard Riesling is a youthful pale straw colored wine that is vibrant and full of energy. The nose shows peach, nectarine, flowers, quince and grapefruit. The palate is medium to full with bracing acidity tamed by a hint of sweetness for balance.

Food Pairing Suggestions

This wine is perfect served relaxing on the dock on a hot day. Sip with poached scallops with cilantro, fresh cheeses and a Caprese salad.

Dedicated to excellence in winemaking in the Finger Lakes region since 1977

Sustainably Produced and Bottled with Solar Energy

We are in the midst of a green revolution. To owner John Ingle, going green means giving respect. Respect for the land by farming sustainably. Most importantly it means respect for the consumer by giving them our very best product and by educating them about Heron Hill's long-term goals of environmental balance.
