Acidity: 5.8 g/l

Alcohol: 12%

Sugar: 1.39%

pH: 4.04

Bottle Date: August 11, 2011

Release Date: September 23, 2011

Appellation: New York

Fermentation: Stainless Steel

Winemakers Notes: Drink now until 2014

WINE CHARACTERISTICS

The fastest growing red wine in our portfolio, which now comes with a screw cap, is a semi-dry, medium-bodied red with a brilliant ruby color. The Game Bird Red is produced with a blend of Foch, Merlot and Cabernet Franc. This creates a complex and smooth feel, with herbal and black cherry aromas. Rich blackberries open up to reveal a full palate leaving a soft fruit finishing on the tongue, begging for another sip.

FOOD PAIRINGS

Game Bird Red is a perfect pairing for any pasta dish, especially Grandma's homemade lasagna. Tomato Basil pizzas really bring out the soft berry qualities from the Foch and Cabernet Franc blend. Also delightful for an afternoon BBQ, especially a beer can chicken.
